## Directions from I-77

Take the Athens exit (Exit 14).

Turn right at the end of the ramp and follow that road until you come to Route 20.

Turn left onto Route 20 North.

Stay on Route 20 North for about 15 miles. You will pass Bluestone Dam. Once you pass the Dam, at the bottom of the hill there will be an intersection. You need to turn right and go across the bridge in front of the Dam.

At the end of the bridge you need to turn left to go across the bridge towards Pizza Hut. You will pass Go Mart, Kroger, and Magic Mart then continue on the one way street. At the stop sign go straight to the next block. Turn left onto Main Street. PC Outdoors will be on your left. This is where you pick up your key and check in.

Turn left out of PC Outdoors parking lot and continue back past Magic Mart, Kroger, and Pizza Hut. Go across the first bridge and turn left Route 3 East. The Greenbrier River will be on your left. Follow Route 3 East for 5.3 miles. You will be at a bridge and an intersection of Route 3 and Route 12. You need to continue straight---do not go across the bridge. You will be on Route 12 South.

Our cabins are approximately 1 mile away on the left. You will pass a large Log Home, then a white 3-story house. You will then see the 2 new wood siding cabins in the field (These are ours). The next house will be a white cinderblock house close to the road. The driveway for the cabins is directly after the white house and before the State Road Garage entrance. Cabin #1 (Nipmuk) is the first one you come to and cabin #2 (Broken Paddle) follows it.
